

# What AUSD principals say about SchoolCARE:

**The Albany Unified School District puts Albany on the map. SchoolCARE is critical to maintaining achievement with all our student groups.**

—ALEXIA RITCHIE, PRINCIPAL, AHS

**We wouldn't be the same school district without SchoolCARE's support. Books are wonderful, art supplies are needed, but there is no substitute for providing a person to help guide, mentor, and nurture a child.**

—MELISA PFOHL, PRINCIPAL, MARIN ELEMENTARY

**Supporting SchoolCARE allows you to express in a tangible way that you care about kids, about the development of our next generation, and that you're willing to invest in that.**

—DEBORAH BRILL PRINCIPAL, ALBANY MIDDLE SCHOOL

## Dear Parents and Friends:

SchoolCARE is in the unique position to fund people: teachers, library techs, counselors, para-educators, elective teachers, career coordinators, and all the other vital roles that make our schools—and community—exceptional.

Spring is our main fundraising drive, as we work to restore positions affected by state and local budget cuts. We've set an ambitious goal of \$300,000—can you help us reach it by making a donation today? We suggest \$500 per student and every amount helps.

Educating our children is the most important work there is. Please help us support the people who do it.

In gratitude,

Yael Bloom

*President, SchoolCARE Board of Directors*

A donation to SchoolCARE helps the children right here in our community. But your contribution also extends well beyond Albany. When we raise curious, compassionate kids, we raise global citizens. And there's no telling how far they'll go—and what impact they'll have when they get there.
